### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 27-38.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest (in combination with the other claim limitations) an energy storage device product wherein the recycled particles comprise fibrillized fluoropolymer particles, and activated carbon particles (claims 4, 14, 21); a capacitor comprising recycled binder and conductive particles (claims 39, 48); a capacitor wherein the dry processed particles are bonded to the separator (claim 42); a capacitor wherein the electrode film layers comprised of reusable particles (claims 50, 51, 53) an energy storage device comprising one or more continuous self supporting intermixed film structure comprised of reused carbon binder particle wherein the film structure comprises a capacitor electrode film (claim 54); an energy storage device comprising an electrode film comprised of recycled binder particles and activated carbon particles (claim 59); an energy storage device comprising a plurality of dry processed particles comprising recyclable binder and activated carbon particles (claim 64); the one or more self-supporting recyclable dry process based electrode film comprising a plurality of dry processed particles comprising recyclable binder and activated carbon powder (claim
